

SAFETY NOTICE

Certain Graco Children's Products Inc. Stand Alone SnugRide® Infant Car Seats

Certain stand alone SnugRide infant car seats have a seat pad design that may allow children to access the fiber fill in the seat pad creating a potential choking hazard. This safety notice does not affect the ability of the car seat to protect a child in the case of a motor vehicle crash and does **NOT** affect SnugRide models that are not listed below.

The stand-alone SnugRide infant car seats affected by this notice were manufactured from 8/1/06 through 6/30/07

Model No.
