

SAFETY RECALL

Dorel Juvenile Group Announces a Voluntary Safety Recall Of Certain Portable Play Yards

Disney Baby/Safety 1st Care Center™ Play Yard and Eddie Bauer® Complete Care Play Yard. Models included in the recall are 05025, 05026, 05037, 05088 and 05350.

Consumers should immediately stop using the bassinet attachment of the play yard and contact Dorel Juvenile Group for a free repair kit including a replacement bassinet, bassinet rods and installation instructions. The one piece metal bars supporting the floorboard of the bassinet attachment can come out of the fabric sleeves and create an uneven sleeping surface, posing a risk of suffocation or asphyxiation. The play yards are portable and were sold with a bassinet attachment and a built-in changing station. The model number is stamped on a sticker on the bottom side of the play yard on one of the support legs. "Disney/Safety 1st" or "Eddie Bauer" are printed near the bottom of the fabric sides of the play yards. Please do not return your play yard to the store where you purchased it.
