July 2010 China Vendor/Factory Conferences
Shanghai, Qingdao, Xiamen, Shenzhen

To Our Present and Future Vendor/Factory Trading Partners in China:

Burlington Coat Factory will be conducting informational conferences throughout China in July of this year. Our meeting details are included below.

These regularly scheduled support conferences provide existing and future trading partners with an understanding of the most efficient and effective methods to conduct business with our organization. They also serve as a forum for vendor/factories to ask questions and receive guidance with regards to present and future offerings or transactions.

We highly recommend that your company attend these informative events. *On the following page, please note the contact information to make your attendance arrangements.*

We look forward to seeing you and discussing mutual opportunities and/or concerns.

Sincerely,
