Free Zone

Effective February 15, 2008

Free zone has expanded to include domestic US.

Sending EDI 856 ASN

Effective September 15, 2008

We require an 856 Advance Ship Notice/Manifest (ASN) with carton level information a minimum of 24 hours (excluding weekends) prior to the arrival of goods at the DC along with UCC128 label(s) properly affixed. Until further notice and while we are in a transitional period, we will also require a manual packing slip to be shipped with all goods.

Omega Compliance appointed as our C-TPAT Auditor

Effective September 15, 2008

We have appointed Omega Compliance as our C-TPAT auditor for Burlington Coat Factory.

Transportation Management System (TMS)

BCF has selected the Sterling Transportation Management System (TMS) for its management of freight shipment and visibility. This will be the new method for all collect routing requests. BCF will be enrolling our vendor community into the TMS system through a phased progressive rollout.
